The following waste is NOT ACCEPTED at the Hard Waste Depot

- Chemicals
 - Hazardous waste, asbestos, cement sheeting, plasterboard
 - Mixed construction waste
 - Paint
 - Biological waste
 - Prescribed industrial waste
 - Liquid waste (incl engine oil)
 - LPG gas bottles
 - Lead/acid batteries
 - Car bodies and tyres
 - Chep pallets (or similar proprietary pallets)
 - Domestic waste, organics and recycling (dispose through normal village waste hutch collection processes).
 - Green waste (see below)
-
- Any quantities > 2m³ must obtain prior approval from FCRM before disposal at the Hard Waste Depot. Large volumes may not be accepted at the discretion of FCRM.
 - All materials must be sorted and separated prior to arrival at the Hard Waste Depot. Unseparated loads will be charged at the general hard waste rate.
 - Cover your load to prevent material falling from vehicles and littering roadsides.
 - Loading of site bulk bins will be by the site attendant ONLY. You will be required to unload into the loading crate as indicated by the attendant.
 - Please follow the direction of the site attendant at all times.
 - Green waste collection remains per current arrangements and will be collected from the roadside monthly from November – April.
 - The Howmans Gap facility is available only to Falls Creek stakeholders and residents and not to the general public.
 - Payment of fees is via credit card only. Cash is not accepted at the site.
