 - **Car bodies and tyres**
 - **Engine oil**
 - **Chep pallets (or similar proprietary pallets)**
 - **Domestic waste, organics and recycling (dispose through normal village waste hutch collection processes).**
 - **Green waste (see below)**
-
- Any quantities > 2m3 must obtain prior approval from FCAR before disposal at the Hard Waste Depot.
 - All materials must be sorted and separated prior to arrival at the Hard Waste Depot. Unseparated loads will be charged at the general hard waste rate.
 - Cover your load to prevent material falling from vehicles and littering roadsides.
 - Loading of site bulk bins will be by site attendant ONLY. You will be required to unload into the measuring crate as indicated by the attendant.
 - Please follow the directions of the site attendant at all times.
 - Green waste collection remains per current arrangements and will be collected from the streetside monthly from November – April.
 - The Howmans Gap facility is available only to Falls Creek stakeholders and residents and is not to the general public.
 - Payment of fees is via credit card only. Cash is not accepted at the site.
